Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Wednesday 29 Dec 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Breezy but largely dry overnight.

This Evening and Tonight:
A cloudy night for many areas, dry for most but some rain over the Pennines and far north possible by dawn. Staying windy, particularly over the high ground, but feeling generally mild. Minimum temperature 6 deg C (43 deg F).

Thursday:
A blustery start but winds tending to ease into the day. Mostly cloudy with some showers through the morning but largely dry for most. Staying mild. Maximum temperature 13 deg C (55 deg F).

Outlook for Friday to Sunday:
Some light rain on Friday morning, a chance of drier weather later in the day. Turning very windy on Saturday and Sunday with heavy, blustery showers. Very mild all weekend.
